MUNICIPALITY OF PONCE TRAINING PARTNERSHIP

MUNICIPALITY OF PONCE TRAINING PARTNERSHIP

“I love it (training). If it weren’t for the USW, I wouldn’t know the people I know now. I wouldn’t be doing the work I do now and the communities would not know how to prepare themselves.”

COMMUNITY OUTREACH TRAINING

- Disaster Preparedness and Response
 - General Preparedness, Mold Detection, and Mental Health
- Fence line Community
 - Superfund, Community Right to Know, OSHA

STRONGER COMMUNITIES FOR SAFER WORKPLACES

Looking ahead...

We are always looking to join USW Represented Employers, Locals, and Community-Based Organizations to build training partnerships to address health and safety issues and give back to the communities where we work and live.
